Career Objective

To secure a challenging role as a Senior Web Developer, leveraging my extensive 3+ years of experience in web development, coding expertise, and a passion for creating user-friendly, visually appealing digital experiences.

Professional Experience

Probyte Media, Pune
Web Developer
August 2023 – Present

- Designed and maintained responsive websites using HTML, CSS, and JavaScript.
- Customized WordPress themes and plugins to meet diverse client requirements.
- Enhanced user engagement through interactive features using JavaScript and jQuery.
- Managed and optimized MySQL databases for performance and scalability.
- Utilized theme builders like Divi, WPBakery, and Elementor to deliver dynamic, visually appealing designs.

C.R. Digital Marketing Pvt Ltd, Pune
WordPress Developer
April 2023 – August 2023

- Installed, configured, and tailored WordPress themes and plugins.
- Integrated advanced features like payment gateways, social media, and forms.
- Conducted performance optimization and resolved critical bugs.

Plus91 Technologies Pvt Ltd, Pune
Implementation Executive
September 2019 – March 2023

- Collaborated with clients to gather and analyze technical requirements.

- Designed, developed, and tested code for custom solutions.
- Managed deployment processes and ensured system validation.

Key Projects

- **Library Management System:** Implemented PHP and MySQL for seamless book cataloging and borrower management.
- **Online Shopping System:** Created an interactive e-commerce platform for kids' toys using WordPress and Elementor, including payment gateway integration.
- **Photography Content Website:** Developed admin and client portals using PHP and MySQL for content management.
- **60+ Spa Center Websites:** Designed responsive websites using HTML, CSS, and JavaScript, integrated with WhatsApp for real-time customer interaction.
- **Classified Ads Platform:** Built a WordPress website using Elementor with Razorpay integration for payment processing.
- **Matrimonial Website:** Designed a feature-rich WordPress site with custom tools to enhance user interaction.
